Dear Hardin:

I am writing to find out if you have completed your plans for spring training as yet. I want to mainly ask about playing you in Atlanta Easter Sunday. If this can be arranged, could we play a few dates the following week?

Please let me hear from you about this as I have some other plans to work on, and must decide soon what I am going to do.

I am planing to train in Florida, so if you have any ideas please get in touch with me. Best wishes for a successful 1946.

Very Truly Yours
